CBD & THC

COFFEE

Keep optimal freshness, aroma and flavor of beans and ground coffee.

TEA

Preserve delicate tea leaves for freshness and best quality blends.

CANNABIS

Preserve flowers/buds, cannabis THC edibles and tinctures, Delta-8.

NUTS

Prevent nuts from going rancid, locking in freshness, crunch, flavor.

PASTA

Keep moisture out and preserve your pasta's premium quality.

CANDY

Keep consistency, flavor, and taste for longer for any candy type.

COOKIE

Package pastries correctly to keep it always "freshly baked."

JERKY

Prevent mold and preserve jerky texture, flavor, and freshness.

SPICE

Boost freshness and flavor of all your precious spices and seasonings.

DOG TREATS

Provide best nutrition and taste by keeping treats at their best quality.

DRIED FRUIT

Extend the shelf life of your delicacies and keep it shelf stable.

SNACKS

Preserve your intended taste, flavor, and consistency of your products.

POPCORN

Keep it light and say never to stale, rubbery, or chewy popcorn.

SUPPLEMENTS

Create dependable supplements by preserving potency and freshness.

GLOSS FOIL

+ vibrant colors, slick finishing, with a commercial look that boasts of high contrast and sharp detail

Create a gloss metallic look without white ink underprinting or solid color background with white ink underprinting. Spot foil effects can be created with spot white ink underprinting.

MATTE FOIL

+ soft and muted colors, satin finishing, with an elegant visual premium and a velvety tactile finish

Create a matte metallic look without white ink underprinting or solid color background with white ink underprinting. Spot foil effects can be created with spot white ink underprinting.

CLEAR GLOSS

+ crystal clear base to show bag contents, for high contrast prints with vibrant colors with a lustrous finish

Transparent gloss material gives vibrant colors, slick finishing, with a commercial look that boasts of sharp detail: Create a solid color background with white ink underprinting.

CLEAR MATTE

+ vibrant colors, slick finishing, with a commercial look that boasts of high contrast and sharp detail

Soft and muted colors, satin finishing, with an elegant visual premium, more protective than clear gloss: Create a solid color background with white ink underprinting.

BROWN KRAFT

+ soft and muted colors, satin finishing, with a timeless visual premium and a smooth tactile finish

Instantly promote a warm and natural personality with extremely durable brown kraft, perfect for the organic and handmade market. Note that our stock is lighter than traditional kraft.

WHITE KRAFT

+ high contrast prints, satin finishing, with an elegant visual premium and a velvety tactile finish

A beautiful and highly versatile canvas, our white kraft is the perfect foundation for a great balance between eco-friendly, clean branding and a sleek, minimalist packaging aesthetic.
